

Manyang Disability Foundation

Corporate Social Responsibility Partnership Prospectus

ABN 75 986 228 179 | Sydney, NSW, Australia

Our mission

Manyang Disability Foundation procures, refurbishes and distributes mobility aids — custom wheelchairs, prosthetics, walking frames and rehabilitation supplies — to children and adults with disabilities across East Africa. We partner with local clinics and coordinators to deliver durable equipment together with fitting, training and follow-up care.

Why partner with us

- Direct, measurable impact: every shipment is documented with beneficiary stories, photos and reports.
- Tax-effective giving: contributions are receipted against our Australian Business Number.
- Workplace engagement: staff volunteering days, lunch-and-learns and pro-bono opportunities.
- Brand alignment: co-branded field reports, social content and annual impact summaries.

Programmes available for sponsorship

- Wheelchair shipment programme (containerised refurbished and custom chairs)
- Prosthetics & limb fitting clinics
- Paediatric mobility & school inclusion kits
- Rehabilitation supply chain (consumables, splints, cushions)
- Coordinator training & field logistics
